ARTICLE 1 – PARTIES TO THE AGREEMENT

This Collective Bargaining Agreement is entered into between the Oregon State Board of Higher Education on behalf of Oregon State University (hereinafter called the University) and the Coalition of Graduate Employees, American Federation of Teachers Local 6069, AFL/CIO (hereinafter called the Union).

ARTICLE 2 – RECOGNITION

Section 1

The University recognizes the Union as the exclusive representative of the bargaining unit for the purposes of collective bargaining.

Section 2

As certified by the Employment Relations Board, the bargaining unit includes all graduate students with Graduate Teaching Assistant (GTA) or Graduate Research Assistant (GRA) appointments, including a combination of GRA and GTA appointments, employed by Oregon State University in a given academic term with a minimum 0.2 FTE appointment(s), excluding (a) supervisory employees; (b) confidential employees; and (c) managerial employees. The University shall not create combined appointments of less than 0.2 FTE.

Section 3

Disagreements regarding an employee's inclusion or exclusion from the bargaining unit will be resolved through Article 18, Grievances.

Section 4

Consistent with the provisions of Article 9, Section 2, the University will give written or email notification to employees in positions included in the bargaining unit that the position is represented by the Union and that the conditions of their employment are covered by a collective bargaining agreement between the Union and the University.

Section 5

If the University creates a new University-wide classification for graduate student employees other than Graduate Teaching Assistants and Graduate Research Assistants, the University will notify the Union at least thirty (30) days before the new classification takes effect.

ARTICLE 3 – TERM OF AGREEMENT

Section 1

This agreement shall become effective upon ratification by the parties and expires on June 30, 2016.

Section 2

Either party may give written notice during the period of November 1 – 30, 2015 of its desire to negotiate a successor agreement. In the event that either party provides written notice of its intent to negotiate a successor Agreement, the parties will arrange to meet within thirty (30) calendar days to discuss ground rules for the successor negotiations including the schedule for the exchange of proposals and the formal commencement of negotiations.

Section 3

This Agreement shall not be open during the term of agreement except by mutual agreement of the parties or the proper use of the articles on Separability (Article 5), Complete Agreement (Article 4), or Section 4 of this Article.

Section 4

Notwithstanding the provisions of Sections 1, 2 and 3 of this Article, either Party may elect to reopen this Agreement for the limited purpose of negotiating up to four articles selected by each Party. Two additional articles can be opened by either party through Article 19 – Consultation. To invoke this reopener, a Party shall notify the other Party, in writing, during October 2013. Upon such written notice being provided, the Parties will meet within thirty (30) days to discuss ground rules for the reopened negotiations.

ARTICLE 4 – COMPLETE AGREEMENT

Section 1

Pursuant to their statutory obligations to bargain in good faith, the University and the Union have met in full and free discussion concerning matters of “employment relations” as defined in ORS 243.650 (7). This Agreement incorporates the sole and complete agreement between the parties resulting from these negotiations. The Union agrees that the University has no further obligation during the term of this Agreement to bargain except as specified in Section 2.

Section 2

- (a) The parties recognize the University’s full right to direct the work force and to issue rules, policies, procedures and practices. Subject to the bargaining requirements of ORS 243.698, the University may change or issue rules, policies, procedures and practices, provided they do not conflict with specific provisions of this Agreement. The University will notify the Union at least thirty (30) days before the effective date of any changes over which it has a duty to bargain under ORS 243.698.
- (b) If the Union believes a proposed change is subject to the ORS 243.698 bargaining obligation, it may file a demand to bargain within fourteen (14) calendar days of notification of the proposed change.
- (c) If the University refuses to bargain, the Union may file an unfair labor practice complaint with the Employment Relations Board (ERB) under ORS 243.672(1)
- (e) If the Board sustains the complaint, the parties shall meet to negotiate over the changes.

ARTICLE 5 – SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state laws, or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement. The remaining provisions of the Agreement shall remain in full force and effect. The invalidated provision(s) shall be subject to renegotiation by the parties. Such negotiations shall commence within thirty (30) days of notification from either party to the other of their desire to begin negotiations for the purpose of arriving at a mutually satisfactory replacement for such provision or provisions.

ARTICLE 6 – NO STRIKE OR LOCKOUTS

Section 1

The University agrees that during the term of this Agreement, it shall not cause or permit any lockout of employees from their work. In the event that an employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage or slowdown by any other employees, such inability to provide work shall not be deemed a lockout and Graduate Assistants shall not suffer any subsequent loss of pay or benefits.

Section 2

The Union, on its own behalf and the behalf of its officers, agents, members, and bargaining unit employees, agrees that during the term of this Agreement, it shall neither engage in, encourage, cause nor sanction the members of the bargaining unit to strike, honor another union's picket lines, or engage in unconventional strikes not protected for private sector employees under the National Labor Relations Act, effective in 1995. These unconventional strikes include sit-down, slowdown, rolling or intermittent or on-and-off again strikes. For the purposes of this Article, a strike includes picketing other than informational picketing consistent with the University's Time, Manner and Place Rules for Speech Activities, walkout, refusal to work, mass absenteeism, slow down of any kind, any other stoppage or interruption of work, whether done in concert or singly. Employees engaging in such strikes, unconventional strikes or work stoppages or who honor another union's picket line may be subject to disciplinary action up to and including dismissal subject to the provisions of Article 17 – Discipline and Discharge.

Section 3

Upon notification by the University to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike or other work stoppage activities in violation of this Article, the Union shall advise such striking employees, in writing with a copy to the University, to return to work immediately.

ARTICLE 7 – UNIVERSITY RIGHTS

Except as specifically modified by the terms of this Agreement, the University shall retain all rights and authority, whether exercised or not, to govern, control, and direct its operations. These rights include, but are not limited to:

- (a) determine methods, means, resources and personnel by which operations and academic programs are to be conducted;
- (b) determine administrative organization;
- (c) determine size and qualifications of faculty and staff;
- (d) allocate and assign work;
- (e) control the use of University buildings, property, equipment and other resources;
- (f) determine admission standards and procedures;
- (g) determine eligibility for and procedures and processes for awarding scholarships and financial aid;
- (h) determine academic standards, policies and procedures;
- (i) determine the application of academic standards;
- (j) determine academic degree, program and course offerings and requirements;
- (k) assess academic programs and determine degree eligibility;
- (l) impose academic sanctions including dismissal;
- (m) impose sanctions for violation of the Student Conduct Code;
- (n) hire, promote, transfer, assign, reassign and retain employees;

- (o) suspend, discharge or take other disciplinary action against employees for just cause;
- (p) relieve employees from duty due to lack of work or other non-disciplinary reasons.

ARTICLE 8 – UNION RIGHTS

Section 1

Employees covered by this Agreement are at all times entitled to act through a union representative according to their Weingarten Rights and in grieving any violation of a provision of this Agreement under Article 18, Grievance Procedures.

Section 2 – Authorized Representatives

The Union will provide in writing to the Office of Human Resources a list of authorized representatives empowered to speak and act on behalf of the Union.

Section 3 – Shop Stewards

The Union shall designate up to thirty (30) members as Stewards who are empowered to represent employees in grievance or disciplinary proceedings when requested by the employees. The Union shall provide the University with a list of current stewards. Stewards shall be allowed to investigate and process grievances and represent employees at grievance proceedings without loss of pay. The Steward shall notify his/her supervisor, in advance, of the need to take leave to represent an employee. If such leave would interfere with the Steward's regularly assigned tasks, the supervisor shall make arrangements for such leave to be accommodated within forty-eight (48) hours. If such a delay affects meeting a timeline, the parties agree to extend the timeline.

Section 4 – Release Time

The University shall provide four (4) days of release time, without loss of pay, each fiscal year, to be divided, at the Union's discretion, among its officials, to attend union functions provided that official has notified his/her supervisor and the Office of Human Resources no less than thirty (30) days in advance of the leave. The official will arrange, if necessary, for a substitute acceptable to his/her supervisor, to perform his/her duties during such leave, or arrange to complete the work at another time, whichever is appropriate.

Section 5 – Union Dues

- (a) The University recognizes the Union membership categories of "Member" and "Associate Member." Upon sixty (60) days written notice from the Union, the University agrees to recognize new union categories of membership.
- (b) The Union agrees that dues for each membership category will be either a flat dollar amount or a single percentage of pay.
- (c) The Union will provide the Office of Human Resources written notification of its intent to change membership dues deduction rates no later than the 10th of the month for the new rate to take effect within the same month. Notice of intent to change membership dues deduction rates filed after the 10th of the month will take effect the following month. Filed for the purposes of change in membership dues deduction rates shall mean postmarked (dated by meter or U.S. Post Office), or hand delivered receipt.
- (d) The University, upon written authorization from an employee, will deduct union dues from the employee's regular monthly salary. This authorization shall include a statement directing the University to inform the Union of the name of the employee and the amount deducted each month. The amount to be deducted shall be certified by the Union to the University. The sum of all monies deducted shall be remitted to the Union within thirty (30) days.

- (e) The University agrees that once authorized by a graduate assistant, dues deduction authorization will remain in effect as long as the graduate assistant retains graduate assistant status; and may be revoked only upon cessation of graduate assistant status, or upon thirty (30) days written notice. The Union agrees that its dues deduction authorization cards will clearly inform graduate assistants that once authorized, dues deductions will remain in effect as long as the graduate assistant retains graduate assistant status; and may be revoked only upon cessation of graduate assistant status, or upon thirty (30) days written notice. The parties agree that dues will not be deducted from pay earned for employment in a status other than as a graduate assistant.
- (f) It is understood that notifications from the Union to start or stop dues deductions received after the 10th of the month may take effect the following month unless the 10th falls on a Saturday or Sunday, in which case the start or stop date will fall on the following Monday.
- (g) Due to frequent adjustments in work assignment during the first four (4) weeks of each term, lack of finality regarding bargaining unit status is typical. The University shall process all authorizations for dues deduction submitted during these weeks by deducting one-half (1/2) of the dues owed in each of the following two (2) months if it proves impossible to deduct during the first month of the term.

Section 6 – Access

Union representatives named in Sections 2 and 3 of this article shall be allowed reasonable contact with bargaining unit members at University facilities as long as such contact does not interfere with safety and the normal flow of work.

Section 7 – Use of University Facilities

The Union may use University facilities for union activities according to current building use policies applicable to non-campus groups. The Union is responsible for ensuring availability, making all necessary arrangements, and paying all necessary fees.

Section 8 – Bulletin Boards

At the request of the Union, the University shall allow the use of reasonable and prominent bulletin board space in each department that employs bargaining unit members, for the purpose of communicating with employees. Union material shall not be displayed in the work area except on the authorized bulletin board space. Only those representatives identified under Sections 2 and 3 of this article shall have authority to post information on the authorized bulletin board space.

Section 9 – Electronic Mail

Union representatives and bargaining unit employees shall be allowed to use the University's electronic mail system for union business in accordance with the following conditions:

- (a) The Union's use of the University e-mail shall not be more restrictive than recognized campus organizations.
- (b) Use of the University e-mail system shall be on the employee's non-work time.
- (c) The Union, its representatives, and bargaining unit employees agree to abide by the University's Acceptable Use Policy in effect on July 1, 2012.
- (d) The Union will hold the Employer harmless against any lawsuits, claims, complaints, or other legal or administrative actions where action is taken against employer, union, or its agents (including union staff, union officers and stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this article. The Oregon State University System shall not bar the free transmission of electronic mail between union electronic mail servers and OSU electronic mail servers.

Section 10 – Orientation

Upon receiving at least seven (7) days in advance a request from the Union that a representative desires to attend a departmental new Graduate Assistant orientation, the orientation sponsor will provide the representative with fifteen (15) minutes on the agenda. The union representative will be informed of the time and location of his/her presentation and will be allowed to distribute union material. If the department does not conduct a new Graduate Assistant orientation, a union representative may request to meet with the new employees who are in the bargaining unit. The department will provide meeting space according to current building use policies as long as the space is available and scheduling has occurred in accordance with department policies or guidelines. Subject to prior supervisory approval(s) and operational needs regarding scheduling, the employee(s) will be permitted to meet with a union representative on work time. The new employee orientation will be scheduled for fifteen (15) minutes; with the employer's and the employees' consent, the meeting can be extended to thirty (30) minutes.

Section 11 – Voluntary Contributions to the Union's Committee on Political Education (COPE) Fund

Upon written authorization from the employee, the University will deduct a voluntary contribution of \$5.00 per month from the employee's salary. Such authorization shall include a statement authorizing the University to inform the Union of the name of the employee requesting the deduction. The sum of all monies deducted along with the names of the contributors shall be remitted to the Union monthly at the same time union dues are remitted. An employee who terminates this voluntary contribution may not reinstate such deductions prior to the beginning of the next academic year.

Section 12 – Information

- (a) As a condition of appointment to a graduate assistant position determined to be in the bargaining unit, or upon reappointment of a currently appointed graduate assistant to a position determined to be in the bargaining unit, the graduate assistant will be required to sign a consent authorizing the University to disclose to the Union the employee's FTE (Full Time Employment Fraction) and bargaining unit status. Additionally, bargaining unit graduate assistants will be asked to sign a release authorizing the University to provide their salaries to the Union. These consents shall remain in effect only while the graduate assistant is in a bargaining unit position.
- (b) Within thirty (30) days from the beginning of classes for each term, the University will provide the Union the following directory information for all bargaining unit graduate assistants who have not suppressed their directory information: Name, current mailing address and telephone number, email address, employing department, campus office address, status as a graduate teaching assistant or graduate research assistant, their hours of service, and, for those graduate assistants who have signed a consent to release, bargaining unit status, salary, and FTE.
- (c) Within thirty (30) days from the beginning of classes for each term, the University will provide the Union with directory information of graduate assistants not in the bargaining unit who have not suppressed their directory information.
- (d) The University reserves the right to charge the Union actual costs for providing information requested in addition to the provisions of paragraphs (b) and (c) above.
- (e) Upon receipt of an annual written request from the Union, the Office of Human Resources will make available to the Union a list of work locations that are provided by the employing departments. The University is not required to create or maintain a list of work locations and failure to provide the information will not constitute a violation of this agreement.

Section 13 – Fair Share

- (a) All bargaining unit employees who are not members of the Union shall make fair share payments in lieu of dues beginning in their first paycheck after thirty (30) days of employment in a bargaining unit position.
- (b) The amount of the fair share payment shall be set by the Union, and shall be equal to regular dues and fees paid by the members working the same FTE fraction.
- (c) The University shall deduct the fair share payment from the bargaining unit employee's monthly salary and remit such payment to the Union at the time dues payments are remitted.
- (d) Fair share deduction shall be made only from salary received as a bargaining unit employee and shall not apply to wages or stipends received in another capacity.
- (e) Bargaining unit members who exercise their right to non-association pursuant to ORS 243.666 shall be exempt from the fair share requirement. However; the employee shall pay an amount equivalent to regular union dues to a nonreligious charity or other charitable organization mutually agreed to by the employee and the Union. The employee shall furnish written proof that such payment has been made monthly to the employer and union.

Section 14 – Indemnity

The Union agrees to indemnify and hold the employer harmless against any and all claims, damages, suits, judgments, or other forms of liability which may arise out of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

ARTICLE 9 – APPOINTMENTS

Section 1

In making appointments and reappointments within a program, department, or employing unit, the employer may give priority to candidates enrolled in that unit or in units from closely related academic areas. The employing unit will consider the candidate's relevant skills and academic background.

Section 2

Upon appointment, the employing unit will provide the Graduate Assistant with details of the appointment (duration, FTE, corresponding average hours per term, salary, evaluation, tuition waiver, benefits, and bargaining unit status). Departments shall give as much notice as possible in providing letters of appointment and all documents necessary to initiate employment, and state the terms of employment, including an approximation of mandatory fees based on the previous year's assessment, preferably no later than thirty (30) days prior to the start of employment. If specific duties to be assigned are not known at the time of appointment, the employing unit will notify the Graduate Assistant of those details within fifteen (15) working days prior to the beginning of classes. The Graduate Assistant will be provided with a copy of the Position Description for the appointment. The Position Description will indicate the general nature of the duties of the position, an approximate distribution of hours expected to be allocated to specific tasks during the employment period, relevant health and safety information, and expected preparation or training.

Section 3

If, in the judgment of the employer, work assignments can reasonably be expected to continue, Graduate Assistants should be appointed for an academic or fiscal year rather than term-to-term. If a course or service must be canceled, the unit may reassign or lay off Graduate Assistants in accordance with Article 14. A Graduate Assistant's appointment may be reduced based on operational needs or by mutual agreement.

Section 4

Employing units shall be encouraged to use Graduate Assistant appointments rather than hourly positions where appropriate and when supported by budget.

Section 5

Each term the Office of Human Resources will send an email to non-academic units encouraging them to announce available assistantships in the Beaver JobNet.

ARTICLE 10 – WORK ASSIGNMENT

Section 1

The University reserves the right to assign and reassign Graduate Assistants those duties and responsibilities that best meet the needs of the institution based upon the qualifications and abilities of the Graduate Assistant.

Section 2

Departments shall give as much notice as possible in providing work assignments, preferably not less than fifteen (15) calendar days prior to the start of classes. Reasonable preparation time shall be included among the Graduate Assistant's paid duties.

Section 3

Employing units shall endeavor to inform Graduate Assistants of available assignments and work schedules at or near the beginning of the appropriate employment period. Graduate Assistants may indicate their preference of assignments and work schedules, which the employing unit will consider in making assignments.

Section 4

Recognizing that Graduate Assistants are also students, the employing unit will endeavor to avoid conflicts between class and work schedules. When possible, work-related meetings involving Graduate Assistants will be scheduled during regular hours.

Section 5 – Work Space

Departments shall provide Graduate Employees with work space and equipment to perform their duties. Departments shall designate a contact person for all work space related issues. Graduate Employees may request work space or equipment necessary to perform their duties (such as general work space, secure storage for confidential files or personal items, private meeting space, and access to telephones, computers, office supplies, photocopies, and printouts) from this contact person. The request and the decision on such a request should be made in writing.

Section 6 – University Closures

The University Appointing Authority shall notify employees prior to the beginning of their work shifts not to report to work because of closure of facilities or curtailment of work due to inclement weather or hazardous conditions. In such cases, the University Appointing Authority will use announcements on University websites, local radio or television stations, recorded messages, or individual telephone contacts to notify employees of the closure or work curtailment prior to their leaving home. Graduate employees cannot be compelled to work when the University is closed, except by mutual agreement between the employee and her or his supervisor.

Section 7 – Schedule Changes

Supervisors shall make reasonable efforts to allow Graduate Employees to arrange their work schedule allowing for fifteen (15) days leave over the academic year, taking into account the employee's academic program and the University's business needs. A request for leave shall be made in writing and sufficiently in advance of the schedule change to allow for planning for the absence. The decision on the request shall be made in writing and within a reasonable timeframe. Such requests shall not be unreasonably denied. This language does not limit a supervisor's ability to permit additional schedule adjustments.

ARTICLE 11 – SALARY

Section 1 – Monthly Salary Rate

The minimum full-time equivalent monthly salary rate for the term of this agreement is \$354. The minimum full-time equivalent monthly salary will increase three percent (3%) annually as follows: \$3554 effective September 16, 2014; \$3661 effective September 16, 2015; and, \$3771 effective September 16, 2016. Employing units reserve the right to set their full-time equivalent monthly salary rate at a higher level. The monthly salary is determined by multiplying the full-time equivalent monthly salary rate by the employment fraction as specified in Section 3. The University shall not reduce the monthly salary rate of bargaining unit employees reappointed in a subsequent year within the same employing department. Beginning September 16, 2015, the monthly salary rate for all bargaining unit employees who meet satisfactory academic progress standards, as determined by the Graduate School and the program of academic study, and who are reappointed within the same employing unit shall increase at a minimum of 2% on September 16 of each subsequent year of employment. Effective September 16, 2015, the 3% increase in the minimum full-time equivalent monthly salary rate set forth above includes the required 2% minimum increase for employees at the minimum salary rate.

Employment Fraction (FTE)	Minimum Monthly Salary (9/16/13)	Minimum Monthly Salary (9/16/14)	Minimum Monthly Salary (9/16/15)	Minimum Monthly Salary (9/16/16)
0.2	\$690.20	\$710.80	\$732.20	\$754.20
0.3	\$1035.30	\$1066.20	\$1098.30	\$1131.30
0.4	\$1380.40	\$1421.60	\$1464.40	\$1508.40
0.49	\$1690.99	\$1741.46	\$1793.89	\$1847.79

Section 2 – Employment Period

Appointments can be made based on the nine-month academic year, the twelvemonth fiscal year or for other periods specified in individual cases. The nine month academic year is divided into three (3) academic quarters as defined by the Oregon University System, each corresponding to an employment period of three (3) months (thirteen weeks) duration.

Section 3 – Employment Fraction (FTE)

Employment fractions (full-time equivalency or FTE) should be determined by the following scale of time commitments averaged over the employment period specified in Section 2. The use of an employment fraction indicates less than half-time effort.

Employment Fraction (FTE)	Total Work per 13 Week Employment Period	Average Hours per Work Week of the 13 Week Employment Period	Total Available Hours During 11 Week Academic Term	Total Available Hours Outside of 11 Week Academic Term
0.10	52	4	44	8
0.15	78	6	66	12
0.20	104	8	88	16
0.25	130	10	111	20
0.30	156	12	133	23
0.35	182	14	155	27
0.40	208	16	177	31
0.45	234	18	199	35
0.49	255	19.6	217	38

The minimum FTE assignment for a graduate employee who has sole responsibility for teaching a lecture course and/or is listed as the instructor of record shall be 0.3 for one (1) section and 0.49 FTE for two (2) sections. Sole responsibility is understood to mean sole responsibility for teaching and conducting of a class, serving as the primary contact for students enrolled in the class, and evaluating and grading student work.

Employment fractions are to be based on expected weekly and overall workload during an academic quarter. Supervisors shall review the employment fraction with their employees at the beginning of the employee's appointment to ensure mutual understanding of the weekly work time commitment. No more than 85% of the employee's maximum work hours for a thirteen-week employment period may be worked during the eleven-week academic term (where an academic term is defined in this section only as ten instructional weeks and one week of finals). Working hours shall not fluctuate more than 50% above the weekly average in any one (1) work week throughout the course of the employment period, unless by mutual agreement between the supervisor and the employee.

Workload assigned to an employee under this article may or may not be separate from the academic expectations associated with thesis or dissertation research. This Agreement shall not in any way be construed as imposing a limit on the amount of academic work necessary for a student to make satisfactory academic progress toward her/his degree.

Graduate employees appointed at 0.49 FTE for a 9-month academic year will not exceed two hundred fifty-five (255) hours per quarter or a total of seven hundred sixty-five (765) work hours in an academic year. The parties agree that work is to be distributed as evenly as possible over the thirteen-week employment period.

Section 4 – Adjustments to Employment Fraction (FTE)

An employee's employment fraction is an estimate of a proportion of full-time effort within a department or unit for the work assignments involved and shall be as determined by the department or unit. In the event that it is demonstrated that the employee will exceed the assigned work hours, and therefore the employment fraction, the department or unit will make an appropriate retroactive adjustment in salary and either reduce workload accordingly or make an appropriate increase in FTE not to exceed 0.49 FTE. In circumstances where it is determined that the employee is not meeting workload demands, based on performance, Article 15 shall be applied.

ARTICLE 12 – TUITION AND FEE WAIVER

Section 1

GTA/GRAs appointed at 0.2 FTE and above are exempt from payment of tuition for up to 16 credit hours taken in any quarter to which the appointment applies. The exemption applies to OSU Extended Campus (E-Campus) courses. The current overload tuition will be assessed for such excess hours as set forth in the Oregon University System Academic Year Fee Book.

Section 2

GTA/GRAs appointed at 0.2 FTE and above will have 90% of mandatory fees, as defined in the Academic Year Fee Book, remitted each term, including summer. If the building, bad debt, and contingency fees exceed 10% of all mandatory fees, the University agrees to remit the total amount of all other mandatory fees. The one-time Matriculation Fee and International Student Orientation Fee shall also be remitted. Graduate Assistants appointed at 0.2 FTE and above will have 100% of the E-Campus distance education fee remitted each term, including summer.

Section 3

In the administration of the above policy, GTA/GRAs shall be required as a term or condition of employment to enroll for and maintain a minimum of twelve (12) graduate credit hours toward the degree throughout the term. However, the Dean of the Graduate School may approve undergraduate credits in a relevant program of study as meeting the twelve (12) credit minimum. Nothing in this contract will preclude an academic advisor from recommending additional hours as appropriate for the student's academic program.

Section 4

Notwithstanding Section 3, during a given summer term the Dean of the Graduate School may elect to allow graduate assistants to meet the criteria for tuition waiver when enrolled for a minimum of nine (9) credit hours toward the degree.

Section 5

Nothing in this Article shall be interpreted to restrict the Oregon University System in any manner in the exercise of their statutory duty to establish tuition.

ARTICLE 13 – SUMMER TERM

Section 1

At the discretion of the employing unit, Graduate Assistants on academic-year appointments may be offered additional appointments covering all or part of the University's summer term. The number of such appointments and their duration will be determined by the employing unit based on the anticipated workload or enrollment for summer term.

Section 2

The salary for summer term appointments will be determined according to Article 11 (Salary), with summer term treated as another three (3) month (thirteen (13) week) employment period. The salary base for the summer term will be that of the previous academic year. The actual work duration in summer term may differ considerably from the employment period; for example, a Graduate Teaching

Assistant may be employed to teach a four (4) week summer term course at thirteen (13) hours per week, corresponding to fifty-two (52) hours total work or 0.10 FTE for the employment period.

ARTICLE 14 – LAYOFF

Section 1

Layoff is defined as a separation from University employment during the period of an employee's appointment due to a reduction in force or a reduction in a department and shall not reflect discredit on the employee.

Section 2

Order of layoff will be based on reasonable criteria. Layoff shall be implemented by providing employees with as much written notice of separation as possible, but no less than fifteen (15) days before the effective date stating the reasons for layoff.

Section 3

If layoff occurs after the first day of compensable employment in any employment period, an affected employee shall continue to be exempt from payment of tuition per Article 12 for the remainder of his/her appointment, not to exceed the end of the current academic year.

Section 4

A Graduate Assistant whose position is restored after a layoff but before the conclusion of his/her appointment will be reappointed to that position.

ARTICLE 15 – EVALUATION

Section 1

Each unit employing Graduate Assistants has the right to conduct periodic evaluations of the employee's job performance. The unit may establish job performance criteria and the frequency and format of evaluation appropriate for the employee's work assignment. Evaluations will be performed no less than once each academic year. Employees shall have access to all evaluative material unless otherwise restricted by this Article. Upon appointment, Graduate Assistants shall be notified in writing of the evaluation process and criteria.

Section 2

The evaluation may include written input provided by students, clients, or others who have direct knowledge of the employee's performance. If the written input includes a numerical rating, then a summary of the average rating scores may become a part of the Graduate Assistant's personnel file. Anonymous evaluative material may not be kept in a Graduate Assistant's personnel file.

Section 3

The supervisor or another faculty member designated by the employing unit may also conduct one or more site visits to the employee's classroom or work place for the purpose of evaluation. Upon request by the Graduate Assistant, the supervisor or a designated faculty member will conduct a site visit to an employee's classroom or workplace. A Graduate Assistant may request additional evaluations on particular performance issues at any time.

Section 4

The employee shall be provided with a timely copy of the written evaluation by the supervisor. The employee shall sign the copy to be placed in the personnel file as an acknowledgment that the employee has received and read the evaluation. Within thirty (30) days of receiving the evaluation, the employee has the right to submit a written rebuttal for inclusion in the personnel file.

Section 5

As a result of the evaluation process, the academic unit may require that specific deficiencies in the work performance be remedied. If the deficiencies are not remedied within a reasonable period of time, the employing unit may initiate disciplinary procedures as specified in Article 17.

ARTICLE 16 – PERSONNEL FILES

Section 1

An employee may choose to be accompanied by a representative of the Union when reviewing material in his/her personnel file. In such instances, the employee shall be required to provide written authorization for the union representative to view such material.

Section 2

All evaluative or disciplinary material relating to an employee's employment placed in a file shall be signed by the author and dated. This requirement does not apply to personnel action forms and other similar material routinely placed in files for record keeping purposes. Copies of all documents pertaining to employment related performance and evaluation of an employee will be kept in a file maintained in the employee's department or administrative unit. This does not preclude the keeping of additional files in other University offices as needed for record keeping purposes.

Section 3

No evaluative or disciplinary material reflecting unfavorably upon an employee shall be placed in the personnel file without the signature of the employee. The employee shall be required to sign such documents and may request the following disclaimer: "Employee's signature confirms only that the supervisor has discussed and given a copy to the employee and does not indicate agreement or disagreement." In the event that an employee refuses to sign such document, the supervisor will note the employee's refusal on the document and process the document as if it had been signed. An employee has the right to submit a written rebuttal to be placed in the file.

Section 4

An employee has the right to have placed in the file a reasonable amount of material or information which may reasonably be expected to be of assistance in the evaluation process.

Section 5

No reference to a grievance shall be placed in a departmental personnel file nor shall reference to a grievance be considered in evaluation of an employee.

Section 6

The employee shall have access to all written evaluations placed in the personnel file, with the exception of letters of reference that the employee requests of the unit head or of present or past supervisors of the employee's work at Oregon State University and that the employee has designated as confidential with the concurrence of the writer.

ARTICLE 17 – DISCIPLINE AND DISCHARGE

Section 1

The parties recognize the authority of the employer to impose discipline, up to and including dismissal, for just cause. Discipline may take the form of written reprimands, reduction in duties, reassignment, suspension without pay, and dismissal. Disciplinary action shall be conducted in private and imposed in accordance with the principles of progressive discipline.

Section 2

Prior to imposing a disciplinary action, the University will advise the employee of the charges and complaints that potentially give rise to such action. The employee will be provided an opportunity to refute the charges or to present extenuating circumstances. An employee is entitled to representation by a union representative at investigatory meetings which may result in discipline, if he/she so chooses. The Union will make a representative available to attend an investigatory meeting within two (2) work days.

Section 3

All forms of discipline will be issued to the employee in writing. Such written notice will state the level of discipline being imposed and the charges and complaints which give rise to the disciplinary action. All such written notices will include the following disclaimer: "Employee's signature indicates only that the supervisor has discussed this material with the employee and he/she has received a copy. The employee's signature does not indicate agreement or disagreement with its content." Employees will be required to sign disciplinary notices containing this disclaimer.

Section 4

Within thirty (30) days of receiving a notice of discipline, the employee may provide a written rebuttal to be placed in his/her file with the notice of discipline.

Section 5

Upon written request from the employee, warnings and disciplinary notices shall be removed from his/her file after two (2) years. Disciplinary notices may be removed sooner if, in the judgment of the head of the administrative unit in which the employee works, or the Assistant Vice President of Human Resources if the graduate assistant is appointed to a different department, the employee's performance and conduct warrants such removal. In the event that the Head of the administrative unit is the employee's supervisor, the employee may forward the request to the Assistant Vice President of Human Resources.

Section 6

An employee who alleges that disciplinary action was without just cause may file a grievance under the provisions of Article 18. It is understood that an employee's right under this Agreement to grieve disciplinary action applies only to the employee's performance and conduct as an employee. Employees may not grieve, under this Agreement, decisions to impose sanctions for academic reasons or violations of the Student Conduct Code.

Section 7

Employees who voluntarily or involuntarily lose status as a Graduate Assistant (i.e., student status) shall have no right to continued employment and shall be considered to have resigned from their service appointment.

ARTICLE 18 – GRIEVANCE PROCEDURES

Section 1

- (a) Grievances are defined as acts, omissions, applications or interpretations alleged to be violations of the terms or conditions of this Agreement.
- (b) All grievances shall be processed in accordance with this Article which shall be the sole and exclusive method of resolving grievances. Grievances may be filed with union representation or, consistent with statute, employees may present grievances to the employer and have such grievances adjusted without union intervention, provided: 1) The adjustment is not inconsistent with the terms of this Agreement; and 2) The Union has been given an opportunity to be present at meetings which may result in adjustment to the grievance.
- (c) Grievances shall be filed within thirty (30) calendar days of the date the grievant or union knew or should have known of the facts giving rise to the alleged grievance. In the event that the deadline for filing a grievance, submitting a grievance response, or appealing a grievance response falls on a Saturday, Sunday or University holiday, such action will be considered timely if it is taken by 5:00 p.m. on the following business day (Monday – Friday).
- (d) Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated, a clear explanation of the alleged violation, a statement that it is a grievance being filed under Article 18, the remedy sought and to whom the response should be directed. Once filed, neither the grievant nor union shall expand upon the original written grievance.
- (e) Time limits specified in this Article shall be strictly observed, unless the parties mutually agree to extend them. If agreed to, extensions of time limits shall be stipulated in writing.
- (f) “Filed” for purposes of all grievances shall mean postmarked (dated by meter or U.S. Post Office), or the actual date of receipt. Grievances received after close of regular business hours shall be considered received on the following business day.
- (g) If at any step of the grievance procedure the University fails to issue a response within the times specified, the grievance shall be considered denied. The grievant or union may file the grievance at the next step.
- (h) If the Union or grievant fails to file the grievance at the subsequent step within the time specified, the grievance will be considered withdrawn and cannot be resubmitted. (i) Grievances involving multiple employees from multiple departments shall be filed initially at Step 2.
- (i) At the request of either party, a meeting between the Union and the University’s representative will take place at any step of the grievance procedure. If a meeting is held at the request of the Grievant and/or the Union, any time limit for the Employer’s response set forth below shall begin with the date of the meeting.

Section 2

The parties acknowledge the benefit of resolving grievances at the lowest possible step. Prior to filing a grievance under this Article, employees are encouraged to address issues informally with their supervisor or other University representative with authority to resolve the specific issue. Use of this informal process will not alter timelines required to file a formal grievance.

Step 1: Should a grievance not be resolved informally, or should a grievant decide not to use an informal process, a formal grievance shall be filed with head of the administrative unit in which

the employee works (Chair, Director, Dean, Superintendent). The head of the administrative unit shall respond in writing within thirty (30) calendar days. Should the head of the administrative unit also be the Grievant's academic advisor, the grievance shall be filed at Step 2. The parties agree that all Step 1 grievance settlements shall not violate this agreement as non-precedential and shall not be cited by either party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the Grievant and the head of the Administrative Unit. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining agreement.

Step 2: Should a grievance not be resolved at Step 1, the employee or union may file the grievance with the University President or his/her designee within thirty (30) calendar days from receipt of the Step 1 response or if a response was not received within thirty (30) days from when the response was due. The University President or his/her designee shall respond in writing within thirty (30) calendar days.

Step 3: Should the grievance not be resolved at Step 2, the employee or union may file the grievance with the OUS Office of General Counsel within thirty (30) calendar days from the date on which the employee or union receives the Step 2 response or if no response was received within thirty (30) days from the date the response was due. Grievances filed with the OUS Office of General Counsel shall be responded to within fifteen (15) calendar days. Should a grievance not be resolved at Step 3, the Union may request arbitration.

Section 3

To advance a grievance to arbitration:

- (a) The Union must notify the University of its decision to arbitrate within twenty-one (21) calendar days of receipt of the Step 3 response or if no response was received within twenty-one (21) days from when the response was due.
- (b) Within fifteen (15) calendar days from the Union's notification of intent to arbitrate, the Union will notify the Federal Mediation and Conciliation Service (FMCS) of the dispute and request a list of arbitrators that shall be specifically limited to Oregon, Washington, and Idaho arbitrators. The parties shall attempt to reach agreement on a permanent panel of arbitrators and a process for using such arbitrators. In the absence of agreement on such a panel and process, the current selection process will be retained and the Union will request a list of five (5) arbitrators from the Employment Relations Board. The parties will then alternately strike names, one at a time. The party striking the first name will be determined by the flip of a coin. The last remaining name shall be the arbitrator selected to hear the current grievance.
- (c) The arbitrator shall have authority to hear and rule on issues which arise over arbitrability. Such issues if raised must be heard prior to hearing the merits of the grievance advanced to arbitration. The parties may mutually agree to allow the arbitrator to take procedural issues under advisement and to proceed with the hearing on the merits. If the arbitrator rules the grievance is non-arbitrable, he/she shall not issue a ruling on the merits.
- (d) If either party request that post-hearing briefs be filed, the arbitrator shall set the date for submission of those briefs.
- (e) The parties agree that the decision and award of the arbitrator shall be final and binding. The arbitrator shall have no authority to rule contrary to or change any of the terms of this Agreement.
- (f) The arbitrator shall have no authority to hear or decide any grievance relating to an academic decision or judgment concerning the employee as a student. The arbitrator shall have no authority to reinstate an employee who is no longer a student or otherwise does not meet the criteria to be a Graduate Assistant.

(g) All fees and expenses of the arbitrator shall be paid by the party not prevailing in the arbitration.

Section 4

This article does not apply to issues of: academic standing, academic standards, policies, and procedures or their implementation or application; or academic degree, program, and course offerings and requirements. Such grievances are covered by the Graduate School Academic Grievance Policy.

ARTICLE 19 – CONSULTATION

Section 1

The Union and the Assistant Vice President of Human Resources or his/her designee agree to meet at the request of either party to discuss matters pertinent in the implementation or administration of this Agreement or other mutually agreeable matters. The meetings will be held as soon as practicable after receipt of a written request for such a meeting. The request for such meetings shall contain a recommended agenda of items to be discussed. Each party may have up to three (3) representatives at such meetings. Additional representatives may be allowed upon mutual agreement of the parties. Matters related to grievance(s) or arbitration shall be handled pursuant to Article 18.

Section 2

The parties agree that such meetings shall not constitute or be used for the purpose of negotiations.

Section 3

Any resolution or agreements made as a result of these meetings shall be reduced to writing and signed by the parties.

ARTICLE 20 – ELECTION DAYS

International Graduate Assistants who wish and/or are required to vote in their national elections and can only do so at the consular agency, must provide the employing department with both reasonable advance notice and documentation. The employing department will arrange the work to allow the Graduate Assistant adequate travel time to the nearest consular agency where the Graduate Assistant may vote.

ARTICLE 21 – JURY DUTY

When jury duty service interferes with the work assignment of an employee, the employee shall be entitled to leave with pay for such time. The employee shall immediately notify his/her supervisor upon being summoned as a juror. To the extent possible, the employee shall attempt to schedule jury duty around work assignments. The employee may keep any money paid by the court for such service. The University reserves the right to petition for removal of the employee from jury duty if, in the University's judgment, the operating requirements of the University would be hampered. Upon dismissal from jury service, the employee shall immediately return to his/her normal duties.

ARTICLE 22 – PARKING

Section 1

The University agrees to sell parking permits to graduate assistants following faculty/staff parking permits, but preceding student permits.

Section 2

The Union shall indemnify and hold the University harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the University for the purpose of complying with the provisions of this Article.

ARTICLE 23 – EXPENSES

Section 1 – Travel and Mileage

The University and the Union agree that reimbursement for travel and/or mileage will be in accordance with policy and rates established in the OUS Financial Administrative Standard Operating Manual (FASOM) or its successor. The employer will give the Union at least thirty (30) days notice of any proposed changes to FASOM which directly affect travel and/or mileage reimbursement.

Section 2 – Immunizations

The employing department or program will pay or reimburse employees for immunizations required to perform the functions of their jobs as specified in writing by the department or program.

ARTICLE 24 – NONDISCRIMINATION

Section 1

Neither the University nor the Union shall discriminate nor tolerate discrimination on the basis of age, color, disability, gender identity or expression, genetic information, marital status, national origin, race, religion, sexual orientation, veteran's status, or any other protected class under State or Federal Law.

Section 2

Neither the University nor the Union will discriminate nor tolerate discrimination against a Graduate Assistant on the basis of union membership or non-membership.

Section 3

Grievances alleging violations of Section 1 of this Article can be grieved only at Step 2 of the grievance article and are not subject to arbitration. Unresolved discrimination grievances may be submitted to the Bureau of Labor and Industries or the Equal Employment Opportunity Commission.

ARTICLE 25 – HEALTH AND SAFETY

Section 1

The University acknowledges an obligation to provide a safe and healthy environment for its employees and agrees to do so in accordance with any and all applicable local, State and Federal laws pertaining to occupational safety and health.

- (a) Training: The supervisor shall see that Graduate Assistants are properly instructed and supervised in the safe operation of any machinery, tools, equipment, process or practice which they are authorized to use or apply during the course and scope of their employment and in the proper handling of dangerous or toxic substances. This training will be provided to the employee without loss of pay.

- (b) Equipment: It is the responsibility of the University to provide, at no cost to the Graduate Assistants, all necessary personal protective equipment (PPE) which is required for the safe and healthy execution of their duties as well as training in the proper use of any issued PPE.
- (c) If, after reporting to the supervisor that a specific substance, task or assignment may jeopardize personal health or safety, correction is not made, that employee may refuse to perform such activity without penalty until the appropriate health or safety office has reviewed the situation and made a finding. The University shall notify the Union of each determination that is made.

Section 2

Oregon State University commits to maintaining a position for a CGE representative on the University health and safety committee.

ARTICLE 26 – WORK-RELATED INJURIES OR ILLNESS

Section 1

An employee injured on the job or who contracts a disease or illness as a result of work performed and/or the work environment shall notify his/her supervisor as soon as practical after the incident giving rise to the injury or after becoming aware of the disease or illness. The employer shall provide necessary forms and reasonable assistance for the employee to file a Workers' Compensation claim. The employee shall provide the University's workers' compensation insurance carrier with all information and documents necessary to process his/her claim.

Section 2

When, upon advice of his/her physician, an employee requires modified work or a modified work schedule due to an on-the-job injury or work-related disease or illness, the University will make a good faith effort to accommodate the employee's needs. Upon request of the employer, the employee shall provide a certification from his/her treating physician confirming the need for modified work or a modified schedule.

Section 3

An employee who is unable to work due to an on-the-job injury or work-related disease or illness, shall be accorded all rights of applicable statutes and regulations. Upon the treating physician's certification that the employee is able to return to his/her job, the employee shall be returned in accordance with all applicable statutes and regulations.

ARTICLE 27 – STATUTORY COMPLIANCE

The employer agrees to comply with provisions of relevant statutes governing Unemployment Insurance, Social Security, Workers' Compensation, the federal Family Medical Leave Act (FMLA), Medicare and the Oregon Family Leave Act (OFLA). To the extent that these statutes provide the employer with discretion in their interpretation and application, the employer reserves such discretion and the Union reserves the right to grieve the interpretation.

ARTICLE 28 – INSURANCE

The University agrees to continue providing access to health insurance for graduate assistants as defined in this Article.

Section 1 – Mandatory Enrollment

The parties agree that enrollment in a health insurance plan is required by the University as a condition of appointment. The University will require all graduate assistants with an appointment of 0.2 FTE or greater to enroll in the University health insurance plan by completing a health insurance enrollment form prior to the start of the graduate assistant's appointment. All forms must be submitted to University Student Health Services in order to meet this requirement. The enrollment or waiver form must be submitted to Student Health Services within the first thirty (30) days of the start of the appointment.

Section 2 – Waiver of Enrollment

A graduate assistant may waive enrollment in the University health insurance plan by providing proof of enrollment in another plan that is deemed to be acceptable by Student Health Services. The comparable health insurance plan includes medical, vision, and dental. If the comparable plan does not include dental, the graduate assistant must obtain dental coverage to be considered a comparable plan at the graduate assistant's cost. A graduate assistant must submit a completed waiver of health insurance form, insurance ID card and summary of benefits to Student Health Services prior to the start of his/her appointment.

Section 3 – Premiums and Contributions

- (a) The University shall contribute 85% of the cost of the 'graduate assistant only' premium and half the administrative fees for each month in which the graduate assistant has an appointment of 0.2 FTE or greater.
- (b) The University shall contribute 85% of the cost of the enrolled graduate assistant's partner or child or family premium for each month in which the graduate assistant has an appointment of 0.2 FTE or greater.
- (c) The University shall continue to contribute 85% of the cost of the 'graduate assistant only' premium and half the administrative fees for each month in which the graduate assistant is on approved medical leave, up to twelve (12) weeks for an approved continuous medical leave of absence.
- (d) The graduate assistant's portion of the premium is due and payable at the first of each month during the graduate assistant's employment period.
- (e) Graduate assistants who waive coverage under the University health plan are not eligible to receive the University's contribution.

Section 4—Summer Session Coverage

Graduate Assistants with Summer Session appointments must follow the requirements in Section 1 of this Article and do not need to submit a separate enrollment form for summer health insurance coverage. The remainder of this Section applies to Graduate Assistants without a Summer Session appointment, for whom summer health insurance coverage is voluntary.

- (a) To be eligible for summer coverage, a graduate assistant must have a fall, winter, or spring term appointment in the current academic year and be enrolled in the Graduate School the following fall term.
- (b) The University shall contribute 85% of the cost of the 'graduate assistant only' premium and half the administrative fees for summer session coverage.
- (c) The University shall contribute 85% of the cost of the enrolled graduate assistant's partner or child or family premium for summer session coverage.

- (d) Graduate assistants employed fall or winter term, but not employed in spring term, must submit to University Student Health Services a request for coverage enrollment form by November 16 or February 16, respectively. Premiums for all three summer months will be deducted from the November or February paycheck, respectively.
- (e) Graduate Assistants employed in the spring term have two options for summer health insurance premium deduction:
 - i. Premiums for all three summer months may be deducted from the May paycheck. This option requires that the graduate assistant submit to University Student Health Services a request for coverage enrollment form by May 16.
 - ii. Summer premium deductions may be spread out over the April, May, and June paychecks, creating a double deduction in each month. The double deduction option will be for the current month's deduction, plus one-third of the summer coverage amount. If the double deduction option is elected, the University must receive the employee's request for summer coverage enrollment form no later than March 31, without exception. If the March 31 deadline is missed, employees electing for Summer Session coverage will only be eligible to have the full deduction taken from the May paycheck.

Section 5 – Failure to Comply

If a graduate assistant fails to comply with Section 1 or Section 2 of this Article within thirty (30) days of his/her appointment begin date, the University may revoke the graduate assistant's appointment due to failure to comply with the terms and conditions of the appointment. Depending on date of receipt of enrollment forms, the graduate assistant's paycheck may be subject to multiple deductions. Reinstatement of the appointment may occur if the graduate assistant petitions the Office of Human Resources within fifteen (15) days of receipt of notification. Any such action taken to revoke an appointment due to failure to comply with mandatory health insurance enrollment will be done in conjunction with the Graduate School. The graduate assistant will be responsible for payment of premium amounts retroactive to the beginning of his/her appointment should he/she fail to comply with Section 1 and Section 2 of this Article and subsequently become enrolled in the health insurance plan. Should a graduate assistant receive health insurance coverage through the summer session and not return in Fall term, he/she may be responsible for reimbursing the University for the employer's contributions.

Section 6 – Plan Administration

- (a) The graduate student health insurance plan shall be administered by Student Health Services with advice from the joint Graduate Assistant Health Insurance Advisory Council (HIAC). The HIAC shall be comprised of three (3) graduate assistant members selected by CGE and three (3) members selected by the University.
- (b) The University agrees to include three (3) CGE representatives in graduate assistant health insurance plan review meetings at least once per year. CGE's participation will be limited to reviewing plan data and aggregated claims data. CGE may provide suggestions regarding plan operation and possible revision/enhancement.
- (c) The University will contract with a health insurance consultant to assist with administration of the University health insurance plan. The University will pay all costs for the contracted consultant.
- (d) The CGE agrees that its right to bargain future benefit contribution rates pertains only to bargaining unit members.

Section 7 – Notice of Rate Increase

Should graduate student health insurance plan rates increase more than 10% or administrative fees increase more than 25% the University will provide written notice to the Union of the anticipated increase. The Union will provide the Office of Human Resources written notice with a request to bargain the impact of anticipated increase within thirty (30) days of the receipt of the notice.

ARTICLE 29 – RESTROOMS

The University agrees to provide employees with reasonable access to gender neutral restroom facilities. All newly constructed or renovated buildings will include at least one gender neutral restroom facility.

Letter of Agreement—Medical and Family Leave

This agreement is between Oregon State University and the Coalition of Graduate Employees.

The administration agrees that the current Medical and Family Leave policy which pertains to graduate employees will not be substantially changed without consultation with CGE. Additionally, CGE may provide input regarding the policy, including recommending modifications for consideration by the policy-makers.

All graduate employees seeking Medical and Family Leave will be informed that they may request a CGE advocate to help them through the process at any point. CGE will develop a literature piece for this purpose and provide it to Human Resources by Sept. 15, 2014. Human resources will also provide this information to any graduate employee currently on Medical and Family Leave.

Letter of Agreement—Article 9 Appointments

This agreement is between Oregon State University and the Coalition of Graduate Employees.

Recitals

- (a) Both The parties agree that Graduate Teaching Assistants (GTA) and Graduate Research Assistants (GRA) shall be given as much notice time as possible in providing letters of appointment, including an approximation of mandatory fees based on the previous year's assessment. The University will strive to provide notice no later than thirty (30) days prior to the start of employment and will strive to notify the Graduate Assistant of specific duties to be assigned not less than fifteen (15) days prior to the start of employment. Within the appointment letter will be included duration, FTE, corresponding average hours per term, salary evaluation, tuition waiver, benefits, and bargaining unit status.
- (b) The University agrees to audit term to term 2013 - 2014 appointments to determine the number of Graduate Assistants that did not receive the agreed upon notice. Because the number of Graduate Assistants that may not have received notice of appointment is unknown, the fiscal impact of adding additional letters such as continuation or non-continuation letters is also not known and must be determined.

Agreement

Therefore, in consideration of our mutual agreement, the following shall apply:

- (a) An audit will allow the University to determine if Graduate Assistants are not being provided timely notice of appointment and for what reason timely notice may not have been provided. The University agrees to provide appointment letters to CGE on or about December 15, 2014.
- (b) The parties agree to open this letter of agreement and Articles 9 and 10 by mutual agreement, as per Article 3—Term of the Agreement, no later than January 19, 2015.

Letter of Agreement—Article 28 Insurance

This agreement is between Oregon State University and the Coalition of Graduate Employees.

The parties agree that Student Health Services shall convene the joint Graduate Assistant Health Insurance Advisory Council (HIAC) to provide information regarding alternatives to the current system of triple deduction, on or about November 17, 2014. HIAC shall consider the alternatives and recommend a course of action to the University on or about January 12, 2015. The parties agree to open this letter of agreement and Article 28 by mutual agreement, as per Article 3—Term of the Agreement, no later than January 19, 2015.

Letter of Agreement—Child Care Task Force Positions

CGE shall select two representatives to serve on the Oregon State University Child Care Task Force. CGE will provide the names of these representatives to the University no later than September 15, 2014.

Letter of Agreement—Gender Neutral Restrooms

The University agrees to mark all existing Restroom General (BXX1) and Restroom Unisex (BXX2) facilities as family friendly and gender neutral, or solely gender neutral.

The University further agrees to mark the following restrooms as family friendly and gender neutral, or solely gender neutral:

Agricultural & Life Sciences Building 3086
Agricultural & Life Sciences Building 3086B
Kidder 208
Crop Sciences Building 208
